FALL 2021 NEWS - SEPTEMBER EDITION

EVENT RECAPS

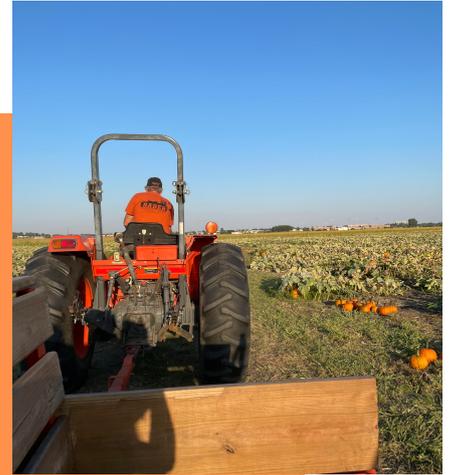

By: April Torres & Ashly Torres

Coffee on the Quad

This September, we hosted a Coffee on the Quad Fundraiser to raise funds for our chapter events. It went better than expected! We had a blast talking with students and giving them some delicious donuts and coffee!

Rader Farms

This was a social event where members of our chapter got to bond with each other. We got to see some goats, horses, chickens, alpacas, and a cow. We did a tram ride through the pumpkin patch, and we all got to swing on a massive tire swing. We also got to jump on an inflatable jumping pillow. This was a highlight of the night because we got let out our inner kids! One of the last things we did was enjoy some apple cider, coffee, and Rader Farms' signature pumpkin donuts!

Resume Workshop

By: April & Ashly Torres

This workshop was held via Zoom, and it was open for all current ISU students to attend. This workshop was in collaboration with Career Services at ISU. The host of the workshop, Addie, went into thorough detail over what an ideal resume should have in it along with tips for crafting the perfect resume. Each person that attended the workshop got valuable information about what employers are looking for on resumes, and this will benefit us all for when we are applying for full-time jobs and internships in the near future!
